#### Standard Concession Contract; Revision

**ACTION:** Proposed revision of the National Park Service Standard Concession Contract.

**SUMMARY:** The National Park Service (NPS) authorizes business entities to operate concessions in areas of the national park system. The agreements embodying these authorizations consist primarily of standard language that incorporate NPS terms and conditions established by law and prudent contract administration. In 1998, Public Law 105-391 was enacted which in many significant ways affects the content of concession contracts to be entered into after its effective date. Accordingly, NPS proposes to amend its existing standard concession contract to conform to the requirements of Public Law 105-391 and to otherwise make improvements to the standard form. NPS, although not legally required to do so, seeks public comments on the proposed standard concession contract to assist in the development of a final version as a matter of public policy.

**DATES:** NPS will accept written comments on the proposed standard contract on or before November 2, 1999.

**ADDRESSES:** Comments should be addressed to: Concession Program Manager, National Park Service, 1849 "C" Street, NW, Washington, DC 20240.

**FOR FURTHER INFORMATION CONTACT:** Wendelin Mann, Concession Program, National Park Service, 1849 "C" Street, NW, Washington, DC 20240 (202/565-1219).

**SUPPLEMENTARY INFORMATION:** Public Law 105-391, enacted on November 13, 1998, among other matters, amended the statutory policies and procedures under which NPS operated its concession program. The new law requires adoption of new regulations governing the award, content and management of concession contracts. On June 30, 1999, NPS published for public comment
